

Curriculum Vitae

DAVID GRIFFIN

- Education:**
- | | |
|-----------|---|
| 1984-1988 | University of Utah / Salt Lake City, Utah
B.S. Biology |
| 1988-1996 | Vanderbilt University School of Medicine
Department of Molecular Physiology and Biophysics
Medical Scientist Training Program
Nashville, Tennessee
D. Phil. – 1994
M.D. – 1996 |
- Postdoctoral Training:**
- | | |
|-----------|--|
| 1996-2000 | Residency, Obstetrics and Gynecology
East Carolina University School of Medicine
Pitt County Memorial Hospital
Greenville, North Carolina |
|-----------|--|
- Postdoctoral Training: (Continued)**
- | | |
|-----------|--|
| 2000-2003 | Fellowship, Gynecologic Oncology
Department of Obstetrics and Gynecology
University of South Florida
Tampa Bay, Florida |
|-----------|--|
- Specialty Certification:**
- | | |
|------|---|
| 2004 | American Board of Obstetrics and Gynecology (FACOG) |
|------|---|

2006 American Board of Obstetrics and Gynecology,
Subspecialty Gynecologic Oncology

Employment:

2012 – Current Physician, Spartanburg Regional Hospital
Spartanburg, SC

Physician, Bon Secours St. Francis Health System
Greenville, SC

Physician, AnMed Health Medical Center
Anderson, SC

2007-2012 Physician, Cancer Center of the Carolinas
Greenville, SC

2005-2007 Physician, Gynecologic Oncology Associates
Greenville, SC

2003-2005 Assistant Professor
Department of Obstetrics and Gynecology
Section on Gynecologic Oncology

Employment: (Continued)

Wake Forest University School of Medicine
Medical Center Boulevard
Winston-Salem, North Carolina 27157

Honors and Awards:

1984-1988 Cum Laude, University of Utah
1992-1994 Reproductive Biology Training Grant
2002-2004 SGO Breast Cancer Task Force
2004-2005 SGO Government Relations Committee

Research Experience:

1984-1988 Research Assistant

Department of Biology
University of Utah
Advisor: B.M. Olivera

1989-1994 Doctoral Thesis
Department of Molecular Biology and Biophysics
Vanderbilt University School of Medicine
Advisor: W.L. Taylor, Ph.D.

2000-2001 Research Fellow
Gynecologic Oncology Program
Department of Obstetrics and Gynecology
University of South Florida
Advisor: K.N. Bhalla

Bibliography:

Chapters in Books:

Cruz, L.J. Johnson, D.S., Imperial, J.S., Griffin, D., LeCheminant, G.W., Miljanich, G.P. and Olivera, B.M. Omega conotoxins and voltage sensitive calcium channels. Molecular Biology Of Ionic Channels, 1988.

Journal Articles:

Olivera B.M., Cruz L.J., de Santos V., LeCheminant G.W., Griffin D., Zeikus R., McIntosh J.M., Galyean R., Varga J., Gray W.R., Rivier J. Neuronal calcium channel antagonists. Discrimination between calcium channel subtypes using omega conotoxin from conus magus venom. Biochemistry 1987; 26: 2086-2090.

Griffin D., Minth C.D., Taylor W.T. Isolation and characterization of the *Xenopus laevis* cDNA and genomic homologs of Neuropeptide Y. Mol Cell Endocrinol 1994: 101:1-10.

Shackelford D.P., Griffin D., Hoffman M.K., Jones D.E.D. Influence of provider type on pathology resource utilization in evaluation of cervical dysplasia. Obstet Gynecol 1999; 94: 709-712.

Craig A.G., Norberg T., Griffin D., Hoeger C., Akhtar M., Schmidt K., Low W., Dykert J., Richelson E., Navarro V., Mazella J., Watkins M., Hillyard D., Imperial J., Cruz L.J., Olivera B. M., Contulakin-G, an N-glycosylated in vertebrate neurotension. J Biol Chem 1999; 274 (20): 13752-13759.

Griffin D. I). Characterization of the transactors involved in activation of the TFIIIA gene in

early oocytes. The stage specific factor B3 and the ubiquitous factors B1 and B2.

II.) Isolation and characterization of the *Xenopus laevis* cDNA and genomic homologs of Neuropeptide Y. 1994: 1-10.

Wake Forest University Teaching Portfolio

Teaching Experience:

1986-1988

Teaching Assistant, Department of Biology
University of Utah (Introduction to Biology)

Lectures, Speeches, Exhibits and Films:

Griffin D., Shackelford D.P. Resource utilization prior to LEEP, Annual North Carolina Obstetrical and Gynecological Society Meeting, Myrtle Beach, South Carolina, 1988.

Griffin D., Shackelford D.P. Resource utilization during the evaluation of cervical dysplasia, Annual ACOG Meeting, Philadelphia, Pennsylvania, 1999.

Griffin D., Kodroff M., Semer D. diagnosis and treatment of hematocolpos with ultrasound guided placement of catheters, dilation and evacuation, Annual District IV ACOG Meeting, Fajardo, Puerto Rico, 1999.

Griffin D., Bhalla K. Epothilone B derivative BMS247550 activity in ovarian cancer cells, Moffitt Cancer Center Retreat, Saddlebrook Resort, Florida, 2001.

Griffin D., Nimmanapalli R., Wittman S., Guo F., O'Bryan E., Bhalla K.N. Molecular determinants of Apo-2L/TRAIL and paclitaxel induced apoptosis in human ovarian and prostate cancer cells, 92nd Annual AACR Meeting, New Orleans, Louisiana, 2001.

Griffin D. Management of an adnexal mass, Grand Rounds, Department of Obstetrics and Gynecology, East Carolina University, School of Medicine, Greenville, North Carolina, 2002.

Griffin D. Surgical management of lymph nodes in gynecologic malignancy, Grand Rounds, Wake Forest University School of Medicine, Winston-Salem, North Carolina, April 2003.

Griffin D. Surgical management of lymph nodes in gynecologic malignancy, Grand Rounds, Catawba AHEC, Hickory, North Carolina, August 2003.

Lectures, Speeches, Exhibits and Films: (Continued)

Griffin D., Cancer in the perimenopausal women, Twenty-Seventh Annual Frank R. Lock Obstetrics and Gynecology Symposium, Winston-Salem, North Carolina, October 10, 2003.

Griffin D. Surgery/chemotherapy for cervical and endometrial cancer, Wake Forest University School of Medicine, Winston-Salem, North Carolina, November 2003.

Griffin D. Fascial dehiscence, Rowan Regional OB/GYN Grand Rounds, Lenior, North Carolina, August 26, 2004.

Griffin D. Screening for gynecologic malignancies, Grand Rounds, Catawba AHEC, Hickory, North Carolina, October 5, 2004.

Griffin D. Fascial dehiscence, Grand Rounds, Wake Forest University School of Medicine, Winston-Salem, North Carolina, November 10, 2004.

Griffin D. Cancer in the premenopausal women, Oconee Count Medical Society, Seneca, South Carolina, August 13, 2005.

Griffin D. Cancer in pregnancy, Ob/Gyn Grand Rounds, Greenville Memorial Hospital, Greenville, South Carolina, September 2, 2005.

Griffin D. Use of cisplatin after carboplatin hypersensitivity without desensitization. (review and commentary), south Atlantic Association of Obstetricians and Gynecologists, White Sulfur Springs, Virginia, January 2007.
